CONDITIONS OF ENTRY

- ◆ *Every class offered herein which is covered by the rules and specifications of the current USEF Rule Book will be conducted and judged in accordance therewith. Quadrille will follow the rules of USDF.*
- ◆ Management reserves the right to arrange for additional judges and to cancel, combine or amend any class, including but not limited to class awards, scheduling and location.
- ◆ Management reserves the right to refuse, accept conditionally or to cancel any entries, disqualify riders or exhibitors, prohibit exhibition of entries, without claim to damages.
- ◆ Show Management reserves the right to interpret all questions and conditions in regard to, or arising out of, or incident to the show, without claims for damages or recourse of any kind. All questions not covered by these rules and regulations shall be decided by the Show Management and such determinations shall be final.
- ◆ Owner/Agent/Participant agrees that every horse entered, or which they bring to the show grounds, will be subject to the rules of the Horse Show management. However, Show Management will, in no case, be responsible for any loss or damage that may occur to any horse entered or on the grounds, and it shall be a condition of entry that each exhibitor agrees to defend, indemnify and hold harmless the United States Equestrian Federation, the United States Dressage Federation, the California Dressage Society, any additional recognizing organizations, the facility at which the event is held (showgrounds), the horse show and its management, employees, volunteers and independent contractors for any loss or accident to his horse, horses or equipment which may occur.
- ◆ All Owners and Exhibitors will be held responsible for any damage incurred by them, their agents, employees or animals to stall buildings and other properties on the show grounds and shall be billed accordingly. All bills for veterinary, farrier services and feed are due and payable during the show. The management reserves the right to deduct any unpaid veterinary, farrier and feed bills from premium, stake or prize money, or refunds due the exhibitor. Any exhibitor not meeting obligations to the official veterinarian, farrier or feed supplier will be termed an undesirable exhibitor and entries from that exhibitor may not be accepted at subsequent shows.
- ◆ Competitors are responsible for all **INSURANCE** for themselves, employees, owners, horses, etc. Competitors are personally responsible for damages to third parties caused by themselves, their employees, agents or horses. They are strongly advised to take out third-party insurance providing full coverage for participation in equestrian events at home and abroad and to keep the policy current.
- ◆ Current USEF, FEI, and USDF and tests will be used.
- ◆ USEF General Rules, Chapter 6 define the protest procedure.

ENTRIES - SCHEDULING - RIDING TIMES

- ◆ Entries will be accepted on a first-come basis and must include all fees, membership and horse registration proofs, signatures and payment. *Numbers will not be released until this process is complete; entries without payment in full may be returned.* Entries that are received, complete with payment, signatures and proofs will have priority over faxed or emailed entries. Entries received by fax or email and accepted are considered to be legal contracts and are subject to all of the rules of the show, including post/late entry fees. If the show has extended the courtesy of accepting a late, faxed or emailed entry, the responsible party will be liable to pay all class, office, stable and other fees. Withdrawing at any time will not excuse the responsible party from paying all of the applicable fees. Those who do not comply with this will be turned in to the recognizing authorities and no future entries will be accepted until the matter has been resolved.
- ◆ Management will close the show when it is full and place excess entries on a wait list. Entries that have arrived after the show is declared full and prior to the printed entry closing date will not be subject to late fees. Any entry postmarked after the published entry closing date is considered a post entry and all post entry and late fees will apply.
- ◆ Post entries allowed on a space available basis only, prior to the start of the class and after all forms have been completed, signatures obtained and fees paid. Office fee of \$10/class applied to all post entries. PLEASE NOTE: Once the show is scheduled, the fee paid for a scratched class will not be applied to a requested class unless the scratch time is filled.

The 50 minutes between rides rule will be observed for riders of multiple horses. Requests for specific break parameters will be considered, but not guaranteed. Classes will not necessarily be scheduled in order of difficulty.

ALL COMPETITORS

◆ Except as may otherwise be mandated by local law, the Federation and Golden State Dressage, Inc. strongly encourage all riders, while riding anywhere on the competition grounds, to wear protective headgear with harness secured which passes or surpasses ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It is the responsibility of the rider, or the parent or guardian or trainer of the junior exhibitor to see to it that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition, and the Federation, Show Committee, and Licensed Officials are not responsible for checking headgear worn for such compliance.

◆ The Federation and this show management make no representation or warranty, express or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries.

◆ Any exhibitor may wear protective headgear (ASTM/SEI) and/or a protective safety vest, specifically designed for use in equestrian sport in any division or class without penalty from the judge. The Federation recommends that the vest meet or surpass the current ASTM standard or be certified by the Safety Equipment Institute.

◆ Except as may otherwise be mandated by local law, the Federation strongly encourages all riders, while riding anywhere on the competition grounds, to wear protective headgear with harness secured which passes or surpasses ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It is the responsibility of the rider, or the parent or guardian or trainer of the junior exhibitor to see to it that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition, and the Federation, Show Committee, and Licensed Officials are not responsible for checking headgear worn for such compliance.

◆ The Federation makes no representation or warranty, express or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries.

◆ **POONY MEASUREMENT:**The show will assist with this process but cannot guarantee the presence of a veterinarian. Anyone interested in having a pony measured by the Technical Delegate must make arrangements with the on-call veterinarian to come to the show to participate in the measurement. The show will not be responsible for making any of these arrangements and advises that if the on-call veterinarian feels it is necessary to travel to a sick or injured horse instead of coming to the show to measure, the show will in no way be held responsible or liable for this decision on the part of the veterinarian.
